

# Aegis3 - Drivers and Hardware

## **DVR/NVR/Video Management Devices**

American Dynamics Intellex  
American Dynamics IP  
American Dynamics Ultra  
American Dynamics VideoEdge  
Bosch VideoJet (ViDos)  
Bosch BRS  
DVTel Latitude 6.X  
ExacqVision Version 7.4  
Genetec Omnicast  
Milestone NVR XProtect Corporate

Milestone Professional  
Milestone XProtect Enterprise  
NICE 10.X, Net 2.X  
OnSSI Ocularis  
Pelco Digital Security  
Pelco Endura  
Pelco VideoXpert  
Verint Nextiva  
Vicon ViconNet

## **Intercom Drivers**

Aiphone AI-900  
Aiphone AN-8000  
Aiphone IX  
GE Commend  
Stentofon AlphaCom  
Stentofon AlphaCome  
TOA VS-900  
TOA N-8000

## **CCTV Matrix Switcher Drivers**

American Dynamics  
Bosch Allegiant  
Pelco 9740/50/60/70/80  
Vicon V1500

## **Computer Aided Dispatch**

Intergraph

## **Serial Alarm Drivers**

American Dynamics 2096  
Bosch Radionics D6600  
Bosch 7412 Panel  
Bosh 9412 Panel

## **Life Safety Alarm Drivers**

Siemens Fire Safety  
Siemens AED

## **Specialty Drivers**

Bosch Security Escort  
SAIMA Portal Door

### General

- More than 30 integration drivers available
- Access advanced features in drivers
- Ease of use (point and click operation)
- Powerful integration features
- Use macros to generate multiple actions from a single event
- Run a program from an icon or macro
- All events/user actions logged
- Generate reports
- Advanced incident reporting
- Display documents or web pages in embedded panels
- Time based permissions
- Pre-acknowledgement of alarms

### Graphical Maps

- Support virtually any image format
- Modify layer properties on AutoCAD drawings
- Dynamic zoom in/out on map views
- Create unlimited views from any map file
- Icons placed on toolbar for global availability
- Add text labels to graphics/maps
- Create hot spots

### Video Support

- Multiple monitor support
- PTZ cameras
- Drag and drop icons to video windows
- Drag and drop video between video frames
- Consistent OSD regardless of digital video system
- Live video sequences
- Alarm video sequences
- Alarm playback video sequences
- Each workstation has its own monitors and window layouts

### Installation / Setup

- Easily deploy new workstations using Management Console
- Map domain support, partition large systems in logical subsets
- Fine-tune user permissions, users can be in multiple groups
- Import any image to be used for icons
- Cut and paste icons

Sielox Layered Security Systems provide a smart way to protect people, property and assets with the highest levels of performance, reliability and cost-efficiency. Since 1979, Sielox has built its expertise working with integration partners and end-users in all types of facilities. Our "Made in USA" lockdown solutions include the AnyWare Browser-Based Access Control Solution, CLASS Crisis Lockdown Alert Status System, 1700 Intelligent Controller and Pinnacle Advanced Access Control Software integrated with leading manufacturer wireless locks.
